

Department of Defense – DARPA Biographical Sketch / Current and Pending / Reporting Checklist

NOTE: The checklists below are intended to be used as a tool when preparing disclosure information for DARPA grant proposals and awards. While we have tried to capture the essential aspects of agency guidance, it is still important to review all agency guidance, solicitation documents and relevant FAQs before final submission to the agency. Please contact your RAS administrator if you have any questions.

IMPORTANT
Review the DOD March 20, 2019 memo: Actions for the Protection of Intellectual Property, Controlled Information, Key Personnel and Critical Technologies. This memo provides important guidance for compliance with the National Defense Authorization Act (NDAA) for FY 2019, Section 1286, pages 443 – 445.

Table with 2 columns: Guidelines and Instructions. Includes rows for General Disclosure Guidelines, Research and Related Senior/Key Person Profile (Expanded) form, Degree Type and Degree Year fields, Biographical Sketch, and Current and Pending Support.

Table with 2 columns: Biographical Sketch and Description. Description: The primary purpose of the biographical sketch is to establish the scientific qualifications for all key personnel involved in the research. However, as noted above, it is also a vehicle for disclosure of any outside activities to aid in compliance with National Defense Authorization Act (NDAA) for FY 2019, Section 1286. As such, please provide the information below, as applicable.

Reporting Requirements

The number and types of reports will be specified in the award document but will include at a minimum monthly financial status reports, monthly technical status reports, annual reports, and an end-of-phase report. The reports must be prepared and submitted in accordance with the procedures contained in the award document, which is mutually agreed upon before award. Please review all award-specific reporting requirements, which may include updates to any disclosures required at the proposal stage. This checklist will be updated as more specific guidance and information is available.
