* Formerly the Center for Space Research

** Formerly the Center for Transportation Studies

*** Formerly the Lab for Energy and the Environment

****On July 1, 2013, FBML merged with PSFC.

^ CSAIL formed in FY2004 through the merger of the Artificial Intelligence Laboratory and the Laboratory for Computer Science

^^ In FY2010, LEES merged into RLE

^^^ Formerly, Center for Technology, Policy and Industrial Development

**** Formerly Materials Processing Center
