Category	Details
Audit Status and A-133 Audits	See current and past audit reports.
Debarment	MIT is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in any Federal department or agency.
Delinquency of Federal Debt	MIT is not delinquent on repayment of any Federal debt including direct and guaranteed loans and other debt as defined in OMB Circular A-129, "Managing Federal Credit Programs"
FCOI Policy Statement	MIT has an active and enforced conflict of interest policy that is consistent with the provision of 42 CFR Part 50, Subpart F "Responsibility of Applicants for Promoting Objectivity in Research" and 45 CFR Part 94 "Responsible Prospective Contractors." : MIT's COI policy provides that: (1) all financial disclosures will be made related to the activities that may be funded by or through an agreement with the US Government, and which are required by MIT's conflict of interest policy, and (2) all identified conflicts of interest have or will have been satisfactorily managed, reduced or eliminated in accordance with MIT's conflict of interest policy prior to the expenditures of any funds under any resultant agreement with the US Government and within a timely manner sufficient to enable timely FCOI reporting. MIT's conflict of interest policy is consistent with the revised regulations effective August 24, 2012.
Responsible and Ethical Conduct in Research	MIT maintains an Institutional Plan to meet NSF's Educational Requirements for the Responsible and Ethical Conduct of Research, as required under the "America Competes Act" Public Law 110-69- August 9, 2007. MIT has a training program in place and will train all PIs, Co-PIs, senior personnel, undergraduate students, graduate students and postdocs in accordance with the NSF's RECR program.
Lobbying (for federal projects only)	MIT's policy is that no payments have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any federally proposed project.
Felony Convictions	MIT has not been convicted of a felony criminal violation under the Federal law with the preceding 24 months.
Executive Compensation Reporting	MIT is exempt from reporting the executive compensation for its five highest compensated executives. Information is made available to the public in accordance with section 6104 of the Internal Revenue Code of 1986.
Articles of Incorporation	Charter Of The Massachusetts Institute Of Technology
EOE/Affirmative Action Policy	7.1 Nondiscrimination and Non-retaliation Policies; Equal Opportunity and Affirmative Action Policies
