****Note:** On April 4, 2022, the DUNS Number will be replaced by a “new, non-proprietary identifier” requested in, and assigned by, the System for Award Management (SAM.gov). This new identifier is being called the Unique Entity Identifier (UEI), or the Entity ID. Grants.gov has begun preparing for this transition by educating users about the upcoming changes and updating forms, field labels and references to the DUNS Number (the current identifier) within the Grants.gov system. To learn more about SAM’s rollout of the UEI, please visit gsa.gov/entityid.
